

Residence Life

The mission of Residence Life is to provide students with a focused living and learning environment dedicated to safety, community, and education. Living on campus gives students the opportunity to connect and grow. With an on-campus support system through our residence life staff, student groups, and on-campus activities, you'll be more likely to have success in the classroom, and you'll also be part of a community of students who are just like you.

Residence Halls

All Halls have laundry, Wi-Fi/internet connections, and study spaces included.

West Hall- All Male

Houses 175 mostly first-year men, community style bathrooms, and a study lounge in the lobby. Typical dimensions in West Hall are 11 feet wide by 18 feet deep.

Greensboro Hall- All Female

Houses approximately 85 women on three floors. First-floor rooms are set up suite style. The second and third floors have community bathrooms. Typical room dimensions in Greensboro are 12 feet wide by 12 feet deep.

Hill Hall- Co Ed

Houses more than 250 men and women on four floors. All rooms in Hill are suite style. The third floor houses Honors-program residents. Hill also has two, general-use study lounges. Typical dimensions in Hill are 12 feet wide by 19 feet deep.
